

## Introducing British Chamber of Commerce Abu Dhabi

British Chamber of Commerce Abu Dhabi is an organization focused on promoting bilateral trade between the United Arab Emirates and the United Kingdom. We have one objective – to enable better business outcomes for our members.

Formed from the British Business Group Abu Dhabi (registered in 1996), the British Chamber of Commerce Abu Dhabi (BCC AD) is a not-for-profit membership organization for companies trading between the UAE and the UK. The Chamber is part of the Global Business Network of the British Chambers of Commerce providing connectivity to 76 accredited chambers around the world, and 53 UK-based chambers trading world-wide.

BCC AD provides its members with a local network, activities and services that are designed to:

- **Inform** them of market conditions and trading opportunities, and prevailing policies and legislation
- **Connect** them to potential funders, partners and customers – both in Abu Dhabi and UK them in
- **Support** them in establishing, marketing and developing their business, and by asserting influence on their behalf to promote their interests

BCC AD offers a range of membership categories, to meet the needs of all sizes and types of business, with associate membership available for interested individuals.
